IN RE APPLICATION OF: Darrell S. Dunn, et al.	ATTY DKT NO.: P-17.142
SERIAL NO.: 10/799,247	GROUP ART UNIT: 1753
FILED: March 12, 2004	EXAMINER: tba
TITLE: Semi-Permanent Reference Electrode	
TO: Mail Stop Issue Fee Commissioner of Patents and Trademarks P.O. Box 1450 Alexandria, VA 22313-1450	

**PETITION TO WITHDRAW THE HOLDING
OF ABANDONMENT OR, IN THE ALTERNATIVE, TO
REVIVE AN UNINTENTIONALLY-ABANDONED APPLICATION**

This correspondence is being filed in response to the Notice of Abandonment Under 37 CFR §1.53(f) or (g) ("Notice of Abandonment") for the above-referenced application, which was mailed on March 28, 2006 and received by Applicant on March 30, 2006, a copy of which is attached hereto as Exhibit A. Such Notice of Abandonment states that the above-identified application is abandoned for failure to timely or properly reply to the Notice to File Missing Parts of Nonprovisional Application mailed May 27, 2004 ("Notice to File Missing Parts"), a copy of which is attached hereto as Exhibit B. The Notice to File Missing Parts stated that the oath or declaration was missing and, in order to avoid abandonment, a properly-signed oath or declaration and \$65 surcharge should be filed within two (2) months.

While Applicant did not submit an oath or declaration with the initial filing of the non-provisional application on March 12, 2004, a Combined Declaration and Power of Attorney was filed by Applicant on April 27, 2004. Since the declaration was filed one (1) month

prior to the Notice to File Missing Parts being mailed to Applicant on May 27, 2004, Applicant believes that it was, in fact, timely and properly filed with the U.S. Patent & Trademark Office. Therefore, the Notice to File Missing Parts and subsequent Notice of Abandonment were both sent to Applicant in error.

I. Petition to Withdraw the Holding of Abandonment Under 37 CFR §1.181

On March 30, 2006, Applicant received a Notice of Abandonment Under 37 CFR §1.53(f) or (g) ("Notice of Abandonment"), stating that Applicant failed to timely or properly reply to the Notice to File Missing Parts (mailed 05/27/2004). Although Applicant failed to respond to the Notice to File Missing Parts, Applicant asserts that all of the necessary documentation for this Application was submitted in a timely and proper manner prior to Applicant's receipt of the Notice to File Missing Parts and/or the subsequent Notice of Abandonment.

To satisfy the requirements of 37 CFR §1.181(a), Applicant submits this Petition to Withdraw the Holding of Abandonment ("Petition to Withdraw") along with a true and correct copy of the originally-filed declaration and all accompanying documents, as follows:

1. Applicant's correspondence to the U.S. Patent & Trademark Office (attached hereto as Exhibit C);
2. Combined Declaration and Power of Attorney (attached hereto as Exhibit D);
3. Express Mail Label No. EV 400363417 (attached hereto as Exhibit E);
4. Applicant's Certificate of Mailing (attached hereto as Exhibit F); and
5. Acknowledgment card reflecting the OIPE Patent & Trademark Office's seal with the date "April 27, 2004" in the center and a "Received May 3, 2004" stamp (attached as Exhibit G).

Based upon the absence of any missing parts for the above-identified nonprovisional application and the erroneous nature of the Notice to File Missing Parts and subsequent Notice of Abandonment issued, Applicant respectfully requests that the Office

of Petitions of the U.S. Patent & Trademark Office accept the declaration filed on April 27, 2004 as being timely and properly filed and, accordingly, withdraw the holding of abandonment.

II. Petition, *in the Alternative*, to Revive an Abandoned Application

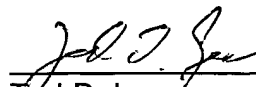

If, for any reason, the Commissioner chooses not to grant the Petition to Withdraw, Applicant asks that the Commissioner grant Applicant's *alternative* petition to revive the application as unintentionally abandoned.

The entire delay in filing any required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

In the event the Office of Petitions disallows Applicant's Petition to Withhold, but reconsiders the application under Applicant's Petition to Revive, a \$750 petition fee and a \$65 surcharge late filing fee will be due. The Commissioner is hereby authorized to charge both fees and any other required fees or credit any overpayments to the Gunn & Lee, P.C. deposit account no. 50-0808. No terminal disclaimer is required by 37 CFR 1.137(d).

If there are any deficiencies in this Petition or the accompanying papers, and a telephone conference would help remove such impediments, a telephone conference is respectfully requested.

Respectfully submitted,

Ted D. Lee

Under 37 CFR 1.137(a), a petition requesting the application be revived on the grounds of **UNAVOIDABLE DELAY** must be filed promptly after the applicant becomes aware of the abandonment and such petition must be accompanied by: (1) an adequate showing of the cause of unavoidable delay; (2) the required reply to the above-identified Notice; (3) the petition fee set forth in 37 CFR 1.17(l); and (4) a terminal disclaimer if required by 37 CFR 1.137(d). See MPEP § 711.03(c) and Form PTO/SB/61.

Under 37 CFR 1.137(b), a petition requesting the application be revived on the grounds of **UNINTENTIONAL DELAY** must be filed promptly after applicant becomes aware of the abandonment and such petition must be accompanied by: (1) a statement that the entire delay was unintentional; (2) the required reply to the above-

identified Notice; (3) the petition fee set forth in 37 CFR 1.17(m); and (4) a terminal disclaimer if required by 37 CFR 1.137(d). See MPEP § 711.03(c) and Form PTO/SB/64.
